Any other dates that come up I will try to get you as soon as possible. I do not like to add dates or change dates once they have been set.

This year, as every year if it is possible, I have tried to pair football games with contests. This provides more open weekends. I take a lot of time and research making the schedule. Please plan accordingly.

Again,

Do not let this schedule scare you!! If you have questions, concerns, or conflicts – especially if you are a rising freshman, or the parent of a rising freshman – please feel free to contact me – anytime. My number is listed below.

Thank you,

I'm looking forward to a wonderful year in band!
