

Princeton High School Band Schedule 2019-2020

The following is the band schedule for next year as complete as I can get it at this time. (The dates for November and December are somewhat more tentative at this point.) **PLEASE!!!** Talk with your family **NOW!!!** about these dates and add them to you family's calendar. As the summer progresses more organizations that you are involved in will schedule dates for the fall. Please remember as churches, scouts, work, 4-H, etc. plan dates that you have made a commitment to the Princeton High School Band and schedule accordingly.

If this is your first time in the Princeton High School Band – **DON'T PANIC!!!** The schedule may look intimidating at first – but it is not any more involved than any other activity in high school. **AND IT IS A LOT OF FUN.** I have a family as well and realize that sometimes situations arise that are beyond your control. However, I also strongly believe that as you become young adults you need to take the **INITIATIVE** to honor your commitment to the Princeton High School Band and to deal with all possible conflicts in a **PROFESSIONAL** manner. I am always available to work with you and your family on any possible conflicts that may arise – especially if they are dealt with in a timely and professional manner with the utmost consideration for your classmates who are depending on you. Please note that once football games and contest dates are set it is of the utmost importance to me and your classmates that you are there.

If you are involved in school athletics –**THAT IS WONDERFUL!!!** I want you to be. Athletics promote teamwork, responsibility, and healthy individuals. **THESE ARE THE TYPE OF STUDENTS THAT I WANT IN BAND!** Please be assured that I will make every effort to help you honor your commitment to your athletic team.

In high school band there is a practice requirement. I expect you to practice at least 4 times a week for at least 30 minutes a practice session. This fall we will have marching band practice after school on Tuesdays and Thursdays from 6-8. Attendance at these music rehearsals will take the place of your practice requirement. If for any reason you cannot attend the rehearsals, then you are required to practice at home and turn in a practice chart on the last day of each week. Have a great summer and I will see you soon!!!!
